FOR IMMEDIATE RELEASE

AUGUST 3, 2021

Single Person Fatality Crash

GRAPEVINE, Texas - Grapevine Police are investigating a single vehicle crash that killed a 25-year-old man from Frisco.

At approximately 2:45 a.m. on Tuesday, August 3, Grapevine Police responded to 9-1-1 calls about a car that crashed on the connector from northbound SH-121 to FM-2499.

The first officer noticed the front end of the car was crushed, and ran up to the driver's side window to render aid. The officer broke the glass to reach the driver, and discovered the man behind the wheel was unresponsive. Due to the severity of damage to the car, the driver was pinned in place. Firefighters arrived on scene and determined the driver was deceased.

The exit from westbound I-635 to northbound SH-121 was closed for approximately three hours while a crash team investigated the accident. Nobody else was in the car, and no other drivers were hurt.

Traffic investigators determined the driver continued straight as the road curved, and the driver crashed head-on into a road sign and pillar. The exact cause of the accident remains under investigation.

The medical examiner will release the driver's name pending contact with next of kin.
