FOR IMMEDIATE RELEASE

DECEMBER 3, 2021

Grapevine Police Investigate Pedestrian Hit By Car

GRAPEVINE, Texas - Grapevine Police are investigating a traffic accident that critically injured a man walking in a crosswalk.

Just after 11:00 a.m. on Thursday, December 2, 2021, Grapevine dispatchers received calls about a person who was hit by a car on Northwest Highway at the intersection of Dooley.

Medics quickly arrived on scene and began treating the victim, while officers called out a crash team to investigate.

The driver of the car told officers he was turning left onto Northwest Highway from Dooley when he started sneezing, then felt the impact of the crash. He immediately parked his car in a nearby lot and went to check on the victim.

Witnesses also remained on scene and told police the car was not speeding, nor did they observe any reckless behavior. They were unsure if the pedestrian crossing light was on at the time.

The victim, a 59-year-old man from Grapevine, was taken to the hospital in critical condition. His name has not been released.

Westbound lanes of Northwest Highway were closed for about an hour. Investigators are looking at nearby surveillance cameras to further investigate the crash. No charges have been filed at this time.
